### The Great Gilly Hopkins

By Katherine Paterson

Eleven-year-old Gilly has been stuck in more foster families than she can remember, and she's hated them all. She has a reputation for being brash, brilliant, and completely unmanageable, and that's the way she likes it. So

Gilly decides to put her sharp mind to work and get out of there fast. She's determined to no longer be a foster kid. Before long she's devised an elaborate scheme to get her real mother to come rescue her. Unfortunately, the plan

doesn't work out quite as she hoped it would...
