Summer Reading Success!

Dear Friends,

We at the Vinita Public Library appreciate those who have generously given their time, talent and resources to help make this year's Summer Reading Program a great success! The children (and many parents) enjoyed learning through the theme "Build a Better World!"

We would also like to thank our leader this year, Carly Andrasko, who did an outstanding job in teaching the children about making the world a better place. She was assisted by library volunteers Bailey Potter, Beth Zwahlen, Anna Cornelius, and Jasia Litfee.

Children who completed an activity list received an amazing assortment of prizes

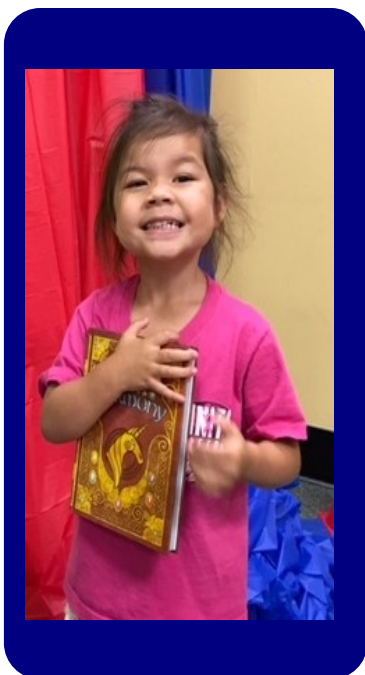

anywhere from book series and movies to Lego sets! Many coupons were also donated from local businesses including a pool pass from the City of Vinita, free pizzas from Goodfella's Pizzeria and Pizza Hut, a \$25 gift certificate from Game Bros, slushes from Sonic Drive-in, and a free soft drink from Woodshed! First National Bank's First to Give group threw a popsicle party and brought gifts for every child and parent attending. The activities will continue all summer including VRXP.Rocks free virtual reality demo on June 29th and a prize drawing in August!

Special shout out to all those who gave financial support for the Summer Reading Program including

the Thomas White Foundation, Arvest Bank, First National Bank, and Oklahoma State Bank. Statewide sponsors of the Summer Reading Program include Sonic Drive-In, The Oklahoman, and the Oklahoma Department of Libraries. This project was made possible by a grant from the U.S. Institute of Museum and Library Services, and most importantly all the great patrons of the Vinita Public Library that support us!

This summer's publicity was generously supported by the Vinita Daily Journal. We thank them for their continuous support of library activities.

Charla Sageser

Phoebe and Her Unicorn

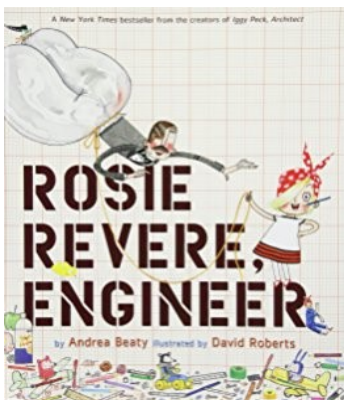

By Dana Simpson

Do you believe in unicorns? Phoebe does. She has no choice. One day she skipped a rock across a pond, and hit a unicorn in the face. Improbably, this resulted in a lasting friendship between Phoebe and the unicorn, one Marigold Heavenly Nostrils. Come along for the unicorn ride with Phoebe, as she

deals with the usual burdens of childhood (cruel classmates, gym class, piano lessons) and also some unusual ones (magic hair, candy-breathing dragons, and the legendary Shield of Boringness). Can a precocious little girl and a self-absorbed mythical forest creature find common ground? Indeed they can, and that's how Phoebe and her unicorn unfolds.

Rosie may seem quiet during the day, but at night she's a brilliant inventor of gizmos and gadgets who dreams of becoming a great engineer
